

GROW with us

We are looking for a **graduate** to join the **Group Audit and Risk team** as part of our **Finance, Audit and Risk international development programme** within Origin Enterprises Plc.

This is a unique opportunity for an ambitious graduate to develop skills and gain international experience across different businesses within the Origin group and build a well-rounded understanding of how the group works, gaining invaluable and insightful experiences along the way.

Working with the Group Head of Risk and Internal Audit you'll assist in the delivery of advisory and assurance audit and risk management engagements and support in making recommendations for future improvements. Liaising with colleagues both nationally and internationally, you'll work with the wider Internal Audit and Risk team on ad-hoc projects, assist in bespoke reviews and ensure the timely delivery of quality deliverables.

This is a fantastic opportunity for a graduate with an interest in business, finance, audit or IT with a willingness to learn business processes, think creatively and analyse system data, to develop a high-potential career with us, at an exciting time in the organisation. We will support you to develop your technical and personal competencies to achieve to the best of your ability.

Whilst the role is initially based in Ireland, there is an expectation to travel and a full driving licence is essential, along with the achievement, or currently on target to achieve, a 2.1 honours degree or higher.

Applicants should please send CV and covering letter (in strict confidence) to: recruitment@originenterprises.com
