

Origin Enterprises acquires Keystone Environmental Limited

Dublin, London, 06 October 2022: Origin Enterprises plc ('Origin' or 'the Group'), the international Agronomy-Services group, providing specialist advice, inputs and digital solutions to promote sustainable land use, is pleased to announce the acquisition of Keystone Environmental Limited ('Keystone'). Keystone is a UK-based independent ecology solutions provider specialising in the design, planning and delivery of complete ecological solutions. By combining insights at survey stage with legislative knowledge and robust project management processes, Keystone has become a trusted ecological partner with an established client base.

Commenting on the announcement, Origin Chief Executive Officer, Sean Coyle, said: "Keystone is an excellent fit for Origin to develop our ecology services for our existing customers as well as their strong client base. Investment in this sector is a key priority for the Group, as we broaden our offering in sustainable land use. We are delighted to welcome the Keystone team to the Origin Group and look forward to working together."
