

**Origin publishes 2021 Annual Report & Accounts and inaugural Sustainability Report**

**‘Nurturing Growth’ outlines Origin’s commitment to sustainable business practices**

**Dublin, London, 22 October 2021:** Origin Enterprises plc ('Origin' or the 'Company'), the international Agri-Services group, announces the publication of its Annual Report and Accounts for the year ended 31 July 2021 on the Company's website at [www.originenterprises.com](http://www.originenterprises.com).

Origin has also published its inaugural Sustainability Report, 'Nurturing Growth', which sets out the Company's sustainability strategy and commitment to strong environmental, social and governance (ESG) business practices. See [www.originenterprises.com](http://www.originenterprises.com) for a copy of the report.

Sean Coyle, Origin's CEO, commented:

*“‘Nurturing Growth’ recognises the deep interdependence between environmental and social issues and sets out a framework which will allow us shape a more sustainable future through agronomy and amenity solutions.*

*We are embedding sustainability and target-setting across our Group operations, with an initial focus on establishing our emissions baseline and setting target reductions, through a collaborative and science-based approach. In 2020, we became a signatory of the United Nations Global Compact and are committed to making its core principles an integral part of our strategy, culture and day-to-day operations.*

*Supported by a robust governance framework, we will continue to advance our sustainability ambitions across the Group and work with our stakeholders to deliver sustainable value for all.”*
